

## Inner Wheel Club of Ipoh East • 26 September 2012

During the first round, we had a lot of gutter bowlers, but it was a good warm up and eventually everyone started getting the hang of it. During our second round, we had many strikers. Overall, we all did well. So we gave ourselves all a pat on our backs. Legs were aching for 3 days.

It was not a competition, but here are some details for encouragement: Over all best average score was from Team 3 (Anne Mahendran, Kannaki & Sharon), followed by Team 2 (Uma, Yeok San, Datin Dr Ramani & Anne Edwin) and lastly Team 1 (Malika, Vaijhayanthi, Alamelu & Dr Viroschini). Our 2 cheerleaders present were Rajes and Dr Mra Aye.

After bowling, we adjourned for dinner to Moven Peak Garden.
