

District 330

Message from  
Immediate Past District Chairman

*Mrs Juanita Lee*

I would like to congratulate the Inner Wheel members of District 330 for another fulfilling year of Friendship and Service.

My appreciation of Inner Wheel has grown this past year as you have given me the opportunity to see first hand the work carried out by Clubs in the District. Inner Wheel has certainly provided the platform to do something good in ways large and small. By being truly involved and committed and by upholding the values of Inner Wheel with compassion, you have made a difference in the lives of others and have made their world a better place. I am indeed very proud of your efforts and contributions.

The essence and heart of Inner Wheel is Friendship. I am certain you have shared many true and happy times amongst members. With friendship comes the camaraderie, joy and inspiration to grow and strengthen your Club.

A visit to Hyderabad and Bali were experiences in understanding how different backgrounds and cultures work to benefit their communities through Inner Wheel. The Spirit of Inner Wheel is especially vibrant in India with 30,000 members in 27 Districts.

I believe there are many big hearted women out there with the passion to help their community, let us seek and invite these ladies to join Inner Wheel. With bigger numbers of like-minded women joining Inner Wheel, we shall achieve much more.

Clubs within the District can become closer when they communicate with each other in exchanging ideas and experiences while organising social projects together. Collaborating in bigger projects will result in greater awareness of the good work by Inner Wheel members and we will be given better support which will make it easier for us to raise funds.

The cooperation and friendship accorded to me by the District Executive Committee, Club Presidents and members have given meaning to the IIW Theme "Be a friend". Thank you so much. I shall treasure the memories of my year with great fondness and will keep in touch with the many friends I have made.

My best wishes to District Chairman Datin Seetha and her Executive Committee as they continue to play the important role of District administration, and to enliven the objectives of Inner Wheel.

Yours in Inner Wheel Friendship,

*Juanita Lee*
