

**INNER WHEEL CLUB  
OF KUALA LUMPUR**

## *The Great Gatsby*

The Inner Wheel is a women's organisation based in England that's a part of the Rotary family. It has a long history of commitment to the community through charitable services to the elderly, children and the underprivileged.

Here in Malaysia, the Kuala Lumpur chapter celebrated its 65th anniversary with a fundraising dinner themed *The Great Gatsby*. According to President Cecilia Lee, the theme for the year 2013/14 is "We, for Women".

Held on June 10 at the Sunway Resort Hotel and Spa, and in cooperation with event management company The Hot Shoe & Company and Florism De Art which provided the beautiful flower arrangements and gardens, the event included performances by Dato' Khadijah Ibrahim, De Leon Music violinist Leon, Amy Dancesport dancers, Glitterama Ladies Charity Group and sand artist Loong Bee.

The performances kept guests entertained as they wine and dined on a sumptuous dinner of smoked chicken and red snapper in mango Thai sauce, just to name a few.

The night came to a sweet end with everyone enjoying a piece of the 65th Installation cake courtesy of Free Mori and a wonderful gift from L'Oréal.
