# SOME LEADERSHIP WORDS OF WISDOM

---

*In a good leadership, there are a few small but important key words that would make a good lot of difference – like:*

- The 6 most important words:  
**I ADMIT I MADE A MISTAKE**
- The 5 most important words:  
**YOU DID A GOOD JOB!**
- The 4 most important words:  
**WHAT IS YOUR OPINION?**
- The 3 most important words:  
**IF YOU PLEASE!**
- The 2 most important words:  
**THANK YOU!**
- The 1 most important word:  
**WE**
- The least important word:  
**I**

*Leadership changes but leadership does not, and in this process, we find out greatest strength. Continuity flows through the President's like the waters of a river, moving forward regardless of obstacles, enriching the land they will be passing through. This is the continuity, never ending. From the strength of the past years we draw momentum for the years yet to be.*

**Thank You for your Attention**
