28th May 2025

Dear Inner Wheel Members,

Warm greetings to each of you in Malayasia, through your Annual News Bulletin, which I am so pleased to be able to contribute to. This year, we have been able to celebrate the bonds of friendship that enrich our lives, I am reminded of the core values that unite us in Inner Wheel—international friendship and service.

This year holds special significance as it marks the first year of the second century of Inner Wheel. Our theme, "The Heartbeat of Humanity," reflects the essence of our organization: compassion, unity, and a shared commitment to making the world a better place.

In the spirit of friendship and to strengthen our mission, I have a special request for each one of you. Let us take this opportunity to grow our Inner Wheel family. Membership Growth—EACH ONE BRING ONE—I encourage you to bring one of your friends into your club. By doing so, we can double our membership and amplify our impact in our communities. Imagine the power and potential of doubling our efforts and extending our reach to touch even more lives! As we preach, "Every Beat counts — Every Action matters."

Friendship is the foundation of our service. Through these bonds, we find the strength and inspiration to carry out our projects and make a difference. New members bring fresh energy, ideas, and enthusiasm that can drive us forward in our endeavours.

Together, we can continue to uphold the values of Inner Wheel and make this first year of the second century truly remarkable.

Thank you for your unwavering commitment and dedication. I look forward to witnessing the growth of our organisation and the incredible achievements that lie ahead in our second century.

Viva Inner Wheel!

GRATITUDE, GROWTH, AND GIVING: A DISTRICT CHAIRMAN'S JOURNEY

As this remarkable year draws to a close, I find myself reflecting on a journey that has changed me in ways I never anticipated. Serving as the 44th District Chairman of Inner Wheel District 330 has been more than an honour rather it has been an awakening. This experience has pushed me to grow, inspired me to give more, and grounded me in the values that bind us all together as Inner Wheel women: compassion, connection, and quiet strength.

When I first stepped into this role, I was driven by the simple intention to serve sincerely. What unfolded over the months was a tapestry of deep friendships, tireless collaboration, and shared moments that resonated far beyond titles and timelines. Each interaction, each club visit, each project completed became part of a greater collective story, one that reflects the true Heartbeat of Humanity.

Our theme this year wasn't just a slogan rather it was a compass. "Heartbeat of Humanity" guided everything we undertook, reminding us that kindness is not an act but a way of life. It gave purpose to our initiatives and power to our outreach. Through it, we reminded ourselves and our communities that when we listen with empathy and act with integrity, we become part of something much larger than ourselves.

In alignment with IIW's social campaign "Reach and Inspire for a Better World," all clubs in District 330 responded with impressive purpose. We brought the six core pillars: cultural, community, relationships, health and wellness, environment, and empowerment to life. These were not abstract goals instead they became the living blueprint of our service. From health screenings to caring for the old and needy, from inter-club bonding to cultural exchanges, the diversity and depth of our work were truly inspiring.

Among the standout initiatives was the "Orange the World" campaign, observed between November 25 and December 10, 2024. This global movement to end violence against women and children was embraced wholeheartedly by all the twenty clubs across the District through a range of creative and impactful activities from solidarity walks, awareness talks and social media advocacy to lighting up landmarks in orange. What began as a campaign evolved into a commitment, one that will continue to pulse through our future efforts.

One of our proudest collaborative successes was the Cease Cervical Cancer (CCC) initiative. Spearheaded by IWC Kuala Lumpur and supported by IWC Alor Setar, IWC Bangsar, IWC Butterworth, IWC Johor Bahru, IWC KL CC, IWC KL North, IWC Kuantan Indera Mahkota, IWC

Subang Selangor, and IWC Taiping we collaborated with the National Cancer Society of Malaysia to provide lifesaving HPV vaccinations to 1,040 girls and women across Malaysia. This was more than a health project, it was a declaration of our commitment to women's health as the largest international women's organisation in the world. Embracing the CCC initiative, IWC Klang also conducted a medical camp providing pap smear test to the women in the community. In a time where awareness and access can change lives, we delivered both.

Internationally, our district also made meaningful strides. Clubs like IWC Alor Setar, IWC Subang Selangor, and IWC Parklands built bridges through visits to sister clubs in Australia, the Philippines, and India. Additionally, members from IWC Ipoh and IWC Taiping also attended the Goonj South Zone Meet in Thanjavur. I believe, these were not casual visits instead they were acts of solidarity and cultural exchange that deepened the global fabric of Inner Wheel and giving prominence and publicity to our District 330. A particular highlight was the warm and enriching reciprocal visit to IWC Subang by 11 members from the Philippines, including eight District Chairmen and a Board Director. The exchange of ideas and shared hopes for the future made it an unforgettable evening.

Of course, one of the defining highlights of our year was hosting IIW President Mamta Gupta. Her visit brought a wave of energy and pride across our district. Whether it was the intimate Batik-themed High Tea in Ipoh or the vibrant "Uniquely Malaysian" Gala Night to commemorate International Women's Day in Kuala Lumpur, these events were not only well-attended by more than half of our 444 members but also showcased the heart of our clubs through project exhibitions and shared celebration. For many members, meeting the IIW President was a dream realized and for our District, it was a moment of unity and affirmation on the global stage.

Organizationally, we have laid strong foundations for the future. From forming an Advisory Council to enhance governance, to establishing fixed deposits for financial sustainability, this year has seen structural progress alongside service achievements. We streamlined communication by standardizing email addresses, re-evaluated guidelines, and even explored the path towards a National Governing Body.

Personally, one of my most fulfilling goals was to visit all the twenty clubs in our District, a goal I'm grateful to have achieved. These weren't merely ceremonial check-ins but also an

opportunity to know and connect personally with the members of District. Each visit brought suggestions for better governance, stories, laughter, shared meals, and moments of deep connection. I witnessed firsthand the creativity, resilience, and sincerity that define Inner Wheel in every corner of our District. These visits affirmed my belief that the strength of our movement lies not in hierarchy, but in humanity.

There is something incredibly powerful about witnessing service in action. Not in reports or photos but in the eyes of a volunteer, in the smile of a beneficiary, in the joy of women working together with shared purpose. I leave this role not just with a list of milestones, but with a heart full of lived experiences that have made me more compassionate, more aware, and more hopeful than ever before.

As you read through this edition of the E-Newslink, may you find pieces of yourself in these stories. May the stories warm your heart and bring a smile to your face. Each project, each celebration, each effort captured here is part of our shared heartbeat and a cherished memory. Let us carry this momentum forward, not as an end to a term, but as a continuation of a journey rooted in friendship, service, and strength.

Lastly, from the bottom of my heart, I want to thank each and every one of you for being part of this incredible journey. Your dedication, your willingness to give, and your steadfast support made everything we achieved possible. I am truly grateful.

And to my successor, Jillian Eastrop, I wish you a memorable journey ahead. May your year be filled with purpose, joy, and the unwavering support of our wonderful Inner Wheel family. All the very best as you step into this new chapter of leadership.

With heartfelt reflection and renewed purpose,

Vimalavathi TP Thayaman Pillai
District Chairman 2024-2025
Inner Wheel District 330

REPORT OF SHANTI MENON THE NATIONAL REPRESENTATIVE FOR DISTRICTS 330 & 331 • TERM: 2024-2025

It has been an honour and privilege to serve as the National Representative for Districts 330 and 331 during this term. I am pleased to present this report outlining the key activities and accomplishments carried out in this capacity.

1. Club Visits and Representation

Throughout my term, I was committed to maintaining strong connections with the clubs within both districts. I attended installations and official functions at every club to which I was invited, with the exception of clubs in the northern region, where logistical constraints made it challenging. Nevertheless, I remained connected through regular communication and support wherever possible.

2. Communication with IIW and District Chairmen

One of my key responsibilities was to ensure prompt and accurate communication between International Inner Wheel (IIW) and our districts. I made it a priority to disseminate all IIW circulars, updates, and relevant information efficiently and without delay to the respective District Chairmen, ensuring that our districts remained aligned with IIW directives and initiatives.

In addition, I ensured that my Deputy National Representative, Gillian Lee, was copied on every document and consistently kept updated on all matters and developments. This was done to ensure continuity, transparency, and shared responsibility throughout the term.

3. Joint Project Initiatives

I had the privilege of working alongside Board Director Juanita Lee and District Chairmen Vimalavathi (District 330) and Cecilia Amid (District 331) to initiate and promote impactful projects, including:

- Orange the World – raising awareness on gender-based violence.
- Cease Cervical Cancer – providing vaccines, promoting education, screening, and prevention efforts in line with IIW Pres Mamta's vision and global health goals.

These initiatives received strong support from the clubs and made a tangible difference in our communities.

4. Official Visit of IIW President Mamta

One of the highlights of the year was the official visit of IIW President Mamta to District 330. I had the responsibility of overseeing and coordinating her visit, and I am pleased to report that the event was successfully managed and well received. The visit showcased the strength, unity, and spirit of our district and received high commendation from President Mamta.

5. Participation in DAGMs

I represented the National Representative's office at both District Annual General Meetings (DAGM):

- District 330 DAGM in September
- District 331 DAGM in March

Reports were duly submitted at each meeting, and I was grateful for the opportunity to engage directly with members and leadership.

6. Engagement with Rotary International

I was honoured to attend the District Conference of Rotary International District 3300 in Penang as an invited guest. This strengthened our relationship with Rotary and opened avenues for greater collaboration between our organisations.

Conclusion

This term has been a rewarding journey of service, collaboration, and growth. I am grateful for the trust placed in me and for the unwavering support of the District Chairmen, club leaders, and members. I extend my sincere thanks to everyone who contributed to a meaningful and impactful year.

Respectfully submitted,

Shanti Menon
*National Representative,
IW Districts 330 & 331
2024-2025*

DISTRICT 330 IN ACTION

It has been a true privilege to serve as International Inner Wheel Board Director. This journey has been a tremendous learning experience, especially under the leadership of our dedicated and dynamic International Inner Wheel President, Mamta Gupta. Her unwavering commitment to impactful global initiatives such as Cease Cervical Cancer and Orange the World—Stop Violence Against Women has inspired clubs around the world—including our own.

I am proud and heartened to witness District 330 stepping up and actively supporting these meaningful campaigns. Together, we are making a difference, both locally and globally.

DISTRICT 330 IN ACTION: SUPPORTING IIW GLOBAL CAMPAIGNS

Cease Cervical Cancer Campaign

District 330 was deeply engaged in the Cease Cervical Cancer campaign throughout the year. In partnership with the National Cancer Society Malaysia, Inner Wheel successfully facilitated HPV vaccinations for over 1,000 girls and young women.

This was complemented by health talks, educational outreach in schools and rural areas, and community-based screening programmes led by various clubs. The campaign not only raised awareness but also empowered communities with knowledge and access to preventive healthcare.

This achievement reflects our members' compassion, dedication, and commitment to empowering women and girls.

Orange the World – District 330 Club Participation

District 330 embraced the Orange the World campaign with vibrant unity, organising a Solidarity Walk, Awareness Lunch, and a public event at Pavilion Kuala Lumpur—supported by Uncle Roger's outlet and held in collaboration with non-governmental organisations and public figures—to spotlight the urgent call to end violence against women and girls.

Adding to the momentum, the Tun Razak Exchange or TRX Tower (The Exchange 106) was illuminated in orange, symbolising District 330's alignment with the global movement to stop gender-based violence.

Across the district, clubs also led educational campaigns, poster displays, and community outreach initiatives, engaging the public and reinforcing the message of the campaign.

These efforts reflect District 330's strong commitment to ending violence against women and advancing Inner Wheel's mission of service and empowering women and girls.

As I conclude my term as International Inner Wheel Board Director, I reflect with gratitude on the strength, spirit, and unity of District 330. Together, we've championed causes that matter and stood in solidarity for women and communities in need.

Looking ahead, I am filled with hope and confidence. With new leaders at the helm and the continued dedication of our passionate members, I believe District 330 will continue to grow, inspire, and serve with greater impact—fostering service, friendship, and positive change in the communities we serve.

With warmest wishes,

A handwritten signature in black ink that reads "Juanita".

Juanita Lee

Board Director 2024-2025
International Inner Wheel

EDITOR'S MESSAGE

As the Inner Wheel year has drawn to an end I feel so blessed and happy to have built lasting friendship with several esteemed Inner Wheel Clubs around the world though our clubs are miles apart.

It is a pleasure to present the Newslink magazine with the support of all the EXCOs and Club Correspondents of District 330 for responding immediately to requests for publication items.

This Newslink contents are final goodbye messages from the various Exco members of District 330 2024-2025.

As an editor, I had the privilege to do 3 newsletters, "Volume Heart Beats".

The 44th AGM, Banner Parade, DC's Installation, Retro Night with the report and the photos for the District 330 Website. The IIW President visit to District 330 Malaysia has also been uploaded in the webpage Happenings.

As for this Newslink contents, the various EXCO members messages, IIW President Mamta Gupta's visit to Malaysia District 330, all Clubs' events for the year 2024-2025, DC Vimalavathi Thayaman Pillai's official visits to the 20 Clubs and also our District's initiatives on the Orange the World, Ceace Cervical Cancer, IIW President's visit and the International Women's day.

All these would not have been possible without the support of the District 330 EXCO and Club correspondence of all the Clubs.

A big thank you to IIW Worldwide platform and its wonderful Administrators for their time and effort in giving us this great opportunity to fulfill our vision to promote friendship worldwide virtually and in reality.

Let's raise our flags high and celebrate this wonderful moment of friendship and continue this beautiful journey of Friendship between our Clubs.

Every beat counts every action matters.

Together let's strive to be the Humanity's Heartbest and uphold the values of our esteemed Organisation.

With love

S. Parmeswary (peace)

Diwali night get-together with Inner Wheel Clubs of Ipoh and Ipoh East

The Inner Wheel Club of Ioras Ipoh successfully hosted a Pickleball Fundraiser on 27 June 2025. It was a vibrant and meaningful event, bringing together fellowship and charity under one cause — to uplift underprivileged women and children in our community.

We were honoured by the presence of esteemed guests, including the District Chairman Vimala, President Ruth of the Inner Wheel Club of Ipoh and supportive members, including those who traveled all the way from Kuala Lumpur.

It was a full house turnout from our own club members, whose dedication and spirit were truly commendable.

We are proud to share that the event successfully raised a total of RM10,623. This remarkable achievement is a testament to the collective effort and generosity of all who contributed — whether by playing, donating, sponsoring, or simply showing up in support.

We extend our heartfelt gratitude to everyone who made this fundraiser a success. Together, we are making a difference, one serve at a time.
